D2C-focused Creative Strategist: over €1M in revenue generated and €300K+ in ad budgets managed (Meta, TikTok, Snapchat) across France, Norway, and Germany. My method: data-driven creative systems — consumer research, awareness-stage angles, iterative testing matrices — turning insights into ads that scale.

EXPERIENCE

Creative Strategist & Media Buyer — Bobiotics / Purebob <i>Dog supplements — launch on the German market</i> - Led the go-to-market strategy: positioning, product-specific marketing angles, full art direction of ad visuals. - Adapted copywriting to the cultural codes of the DACH market and deployed the initial acquisition budget (Meta Ads).	March 2026 – June 2026
Head of Growth — Tæppstars.no <i>Physical customer review collection solution (NFC / QR code plates)</i> - Generated €25K in revenue and €2K MRR through Meta Ads campaigns. - Led the launch: market research, visual identity, ads, product sourcing. - Influencer strategy and affiliate marketing.	February 2025 – August 2026
Creative Strategist (Consultant) — Oslowuff <i>D2C brand of personalized pet products</i> - Supported an investor in launching a brand of customizable products for pet owners. - Researched marketing angles and executed engaging social media ads. - Generated €150K in revenue. - Content sourcing strategy through micro-seeding & gifting.	January 2024 – December 2024
Co-founder & Head of Marketing — AtelierRamatuelle <i>Beauty / wellness brand — €800K in revenue</i> - Designed briefs and executed creatives for Meta, TikTok, and Snapchat. - Managed €300K+ in ad spend across Meta, TikTok, and Snapchat. - Influencer marketing campaigns.	July 2023 – October 2024
Founder — Sølvfjord <i>Smartwatch brand</i> - Defined the branding and led the Meta Ads acquisition strategy. - Media buying: managed €90K in ad budget on Meta and Snapchat Ads.	February 2023 – February 2024
